Dearborn Fastpitch is a recreational level Fastpitch organization. The recreation level of Fastpitch Softball is generally considered the entry level for Girls Fastpitch.

Our Dearborn-based teams range in age from 8U to 15U (4-6 year olds play T-ball and 6-8 year olds play Coach Pitch Baseball) we generally have two or more teams at each age level. Our teams play in local, established leagues and play against teams from the surrounding area.

Dearborn Fastpitch is a great program and we have a very successful history. We are a community run, volunteer organization that focuses on player development in the team oriented environment. Our players make new friends, have fun, improve their softball skills and return to play Dearborn Fastpitch organization year-after-year.

We appreciate your consideration and continued support of our local area girls. Thank you and please feel free to contact Joe if you have questions. joe@dearbornbaseball.org

Mustangs is a travel level Fastpitch organization based out of the Dearborn Area. Travel Fastpitch is the next progressive step above local or recreational level softball. Travel level is considered more competitive and generally requires a higher level of a commitment to training and the sport.

The primary purpose of **Mustangs Travel Fastpitch** is as follows;

- Provide a fun and rewarding player experience
- Develop our players skill to higher levels
- Enhance the players Fastpitch I.Q.
- Develop character & sportsmanship in supportive team environment
- Support continued physical fitness and awareness

Ultimately we strive to improve the standard of girls' Fastpitch softball for our travel Mustang Travel teams as well as the youth in the surrounding communities.

Our online registration at www.dearbornbaseball.org includes everything you need to sign your child up for baseball or girls fastpitch softball. All major credit cards accepted, or bank electronic checking.
